This summer, we have some wonderful anniversaries to celebrate among our dedicated staff!

The biggest milestone is Pam Marchion (Little Dippers), who will reach an incredible 20 years with us on June 15th. Thank you, Pam, for your unwavering commitment and hard work over the years!

We also want to acknowledge Becca Gascoigne (Sun Rays), who celebrated her 2-year anniversary last month. Your contributions have truly made an impact!

In addition, we're excited to celebrate Lily Ford (Twinkles), Lucy Hibbard (Star Gazers), and Laura Price (Moonbeams), all marking 1 year since their return to Starbright. Welcome back and thank you for being part of our team!

Looking ahead to July, let's recognize Liz Tipton (Twinkles), Melissa Mustoe (Starlights) and Amber Walsh (Star Gazers), who are celebrating 2 years with us. Your efforts are appreciated every day!

In August, we'll honor Christie Bulter (Moonbeams) for her 4-year anniversary, alongside Eva Martinez (Sun Rays), and Alessandra Luis (Starlights), who are each celebrating their 1-year milestones. Each of you plays an important role in our success.

Thank you to all our staff for your dedication and hard work! Here's to many more years together!

Summer Sun & Water Play!

Our classrooms will have more outdoor play throughout June, July, and August. Please be sure to apply sunscreen to your child every morning and leave some with us for the afternoons. Also, please have extra water play clothes (such as a swimsuit, swim shirt, and towel) for your child, as we get wet on hot days. You may want to have your child bring in a hat and sunglasses to protect the eyes — please remember to label personal items.
